

Power Electronics : Academic and Research Conclave

in conjunction with NPEC 2019

14th December 2019

National Institute of Technology Tiruchirappalli

About NPEC 2019

National Power Electronics Conference (NPEC) 2019 is a biennial conference, the 9th edition of which is hosted by the Department of Electrical and Electronics Engineering, National Institute of Technology Tiruchirappalli during 13th - 15th December 2019.

About The Conclave

The Academic and Research Conclave is organized as a part of the NPEC 2019, on 14th December. The conclave will have four themes viz., Renewable Energy Systems, Electric Drives, E-Mobility and Pedagogy - Power Electronics Education. The participants would showcase their ideas as poster presentation, which would be appraised by the experts. They would also be benefitted by further interactions with the experts on the cutting-edge research. All the participants of the conclave will receive an appreciation certificate. The best proposal in each theme would be awarded.

Submission Guidelines & Selection Criteria

One page abstract(max. 1000 words) of your contribution on the above themes are invited. It should include title, aim/scope, methodology and implementation details. All the proposals would be peer reviewed. The potential candidates are requested to mail their abstracts to the email id: conclave.npec2019@gmail.com on or before **25th November 2019** with the subject as "Abstract for Conclave- NPEC 2019". Selected abstracts would be intimated by **30th November 2019**.

Who Can Participate?

UG, PG and Ph.D. students are eligible to participate and present the ideas in the form of posters for the themes -
Renewable Energy Systems, Electric Drives, E-Mobility.

Only teachers/Ph.D. scholars are eligible to participate in the theme -
Pedagogy - Power Electronics Education.

Registration Details

Registration fee
Rs. 750/- (GST inclusive)

Registration fee includes
Conclave kit & working lunch
on the day of Conclave.
